

Kingdom Man: Every Man's Destiny, Every Woman's Dream - DVD Leader Kit is a 6-session Bible study for adult men by Dr. Tony Evans. This study is designed to empower men to exercise the God-given dominion they were created for by giving them a Kingdom understanding, vision, and perspective on their identity and responsibilities along with practical steps on how to become a man who rules his world well.

Our culture has redefined manhood by emasculating men through a repositioning of the role. Men are portrayed as weak, self-serving, and unfocused. The Bible clearly communicates that man was created to exercise dominion over the various areas of his life, taking responsibility for himself and others entrusted to his care. When a man functions within the principles of biblical manhood, those around him benefit from his leadership and care. This study challenges and equips men to fully understand their position under God, learning to operate under the authority of Jesus Christ.
