

The fact that you are reading this right now tells me a little about you. You are interested in the plight of men in today's society. Maybe you are looking for reading material or maybe you are looking for help in starting a men's group at church or at home. Your life has been positively impacted by God's grace and now you understand a little more about what it means to be a man.

We (and our members) have those same interests. We want to see the seed of God's truth grow in every man's heart throughout the state of Maryland. The releasing of God's plan always makes for a good life, a productive life and changes the lives of those around that see it in action. Changed lives change lives.

There are currently very few men willing to let their faith guide them into something bigger and actually try to do something significant. We are looking for active partners who have been changed by God and have a resulting passion for seeing men changed by God. The fields are ripe, the workers are few, the time is now. Our prayer is for workers.

You may be thinking - "I can't do that, I don't have enough to offer. I don't have time, I'm not spiritual enough." Whatever the "father of lies" has spoken into your heart just now is contrary to what God has already spoken about you in his Word. God is just waiting for you to take a step of faith to let Him prove it to you. Will you pray about helping us in this effort?

Let me know at my [contact page](#) if you would be willing to get involved. Part time, as you have the time - it doesn't have to be a huge commitment. Let's be part of something incredible, together.
