

## GOD SHOWED UP!

### HOW #PK2020 IMPACTED 1 MILLION+ MEN

**God used 2020 to change our plans in a big way.**

Instead of 80,000 men meeting in person at AT&T Stadium, 1 million+ men met digitally through PK's virtual experience!

"I don't hear anyone asking the question, 'Hey, do you think we offended God?' ... Has my sin offended God? ... Our only hope is repentance and turning to God with everything we've got."

— PASTOR STEVE BERGER

"God created you to be crowned. God created you to be His representative in history. ... I challenge you to not be satisfied to be a male. It's time for us to become Kingdom Men Rising."

— PASTOR TONY EVANS

"Tape it up there on your bathroom mirror: 'I am not alone. God is with me. I have the heart of a warrior. I have what it takes.' That is going to change everything for going forward."

— AUTHOR JOHN ELDREDGE

We hope you were able to participate in this years' **Promise Keepers** event. They did an absolutely awesome job with it - we are already looking forward to next year!

In the meantime, make sure you are connected to a local men's group. You need the topic oriented interaction to keep yourself grounded in God's Word. If you want to start a group or reinvigorate an old one, we may be able to help. We have lots of curriculum possibilities. Please let us know.

The entire PK2020 online event is now available for you to watch by yourself or (preferably) with a small group of friends. Lots of discussion material in it!
