

**Promise Keepers** Virtual Men's Marriage Summit is a **fast-paced, free 2-hour event** with practical talk from top teachers. We'll discuss the real issues impacting your marriage every day, including communication, respect, and sex.

But we know strong marriages need more than 2-hours. The Virtual Men's Marriage Summit kicks off a 3-week challenge that will place you side by side virtually with other men as you build up your marriages in concrete ways. At the end of the 3-week challenge, you'll have the opportunity to invite your wife to a virtual finale event on February 13th to encourage you both and bring you together.

Men of all ages and marital statuses are encouraged to join. This event is free, but please consider making a donation to help us make events like this one available to more men.

The link for the Marriage Summit will be emailed to you the day of the event.
