

Can you say *"This is a perfect opportunity to awaken our men"*?

This a simulcast of the first stadium event Promise Keepers has held in over 20 years. A re-ignition of a life changing ministry to men.

Use it for the men of your church or advertise it as a community event. An event to reconnect with each other and our God.

So very easy to pull off - all you need is a computer with an internet connection and (optionally) a projector, screen and sound system.

Everything else is taken care of by **Promise Keepers** and affiliated ministries.

Do you want to see the men in your community ignited with love for God, motivated to serve their neighbors, and connected with one another?

By hosting a Promise Keepers simulcast event, we give you the tools to bring an exciting event with world-class speakers and worship to your town. There's no need to organize speakers, worship leaders, or topics. As a leader, you'll be able to spend the day of the event alongside other men, building connection, and worshipping God.

Plus, it's an affordable outreach opportunity to bless your neighborhood and bring men together.

*This opportunity is open to churches and organizations.*

Don't miss this opportunity.

Only a \$99 site fee and \$20/man (\$10/man goes to support the simulcast sponsor).
