

// PK2021 RECAP VIDEO //

was -- all to GLORIFY our Lord and commit to a life of integrity along with thousands of other men.

Thousands joined us in AT&T Stadium and around the world at hundreds of church host sites in 22 countries - Australia, Brazil, Bolivia, Canada, Dominican Republic, Panama, Costa Rica, Mexico, Liberia, Guatemala, Belize and more. Over 500 churches around the world simulcast the event into churches of all sizes - some churches hosted 150 men, some hosted a group of 10 men. In the stories we received - all rejoiced in fellowship as they worshipped, were fed spiritually, and left connected to a new band of brothers.

"We saw first hand how the Holy Spirit is moving in men's lives and how Promise Keepers is fulfilling the vision Ken has presented." - Greg

Promise Keepers' vision of encouraging and transforming generations of men's lives worldwide is being accomplished thanks to your prayers and financial support. In fact, men are connecting after the event at host churches and on the Promise Keepers community discipleship app. Men are taking the challenge to serve their communities over the next 30

days through our all-new Volunteer Hub. We will be launching a Bible Study to accompany the conference next week.

The Promise Keepers App.

A digital brotherhood. Prayer groups. Service projects to activate your faith in your city. Resources and tips for all areas of life. Dig deeper into the 7 Promises and how to apply them in daily life.

"This is the very best thing - this PK app for men from all over the world to come together and share their faith, pray for one another, and give one another words of encouragement to help build up the body of Christ."

We are so thankful for the lives that were changed and the ones that will continue to be changed as a result of the PK2021 Men's Conference and Promise Keepers programs. This is only the beginning!

We are planning another virtual event for the fall and will announce our plans for 2022 at that time. Please stay tuned to our email updates for more information.
