

Promise Keepers Virtual Fatherhood Summit is a fast-paced, free event with practical talk from top teachers. We'll discuss the real issues impacting your family and kids.

But we know that fatherhood topics can't all be addressed in a one-time online event. So, the Fatherhood Summit kicks off a 14-day challenge that will place you side by side virtually with other men as you build up your fathering skills in concrete ways. The program and follow up resources are beneficial whether you are father to kids in the home, a grandfather, or you mentor or coach kids. The interactive community provides opportunities to speak into the lives of other dads and young fathers - we need you in this challenge as iron sharpens iron.

Our goal is to equip, connect, and activate you in an interactive brotherhood community known as the Promise Keepers App.

We'll walk you through it every step of the way! [Just register today.](#)
