

Why

Society is crumbling around us. Marriages are collapsing. Pornography is winning the battle for men's minds. And our children are abandoning the Church. But there is hope.

When a child is the first to attend church, 31½% of the families follow. When a wife/mom is the first to attend church, 17% of the families follow. When a dad/husband is the first to attend church, 93% of the families follow. In the words of Dr. Tony Evans, "As the man goes, so goes the world." America - and the World - needs men with a renewed passion for obedience to God, and His Word.

How

Since the birth of Promise Keepers, a focus on the Word of God has been central. When "The Seven Promises of a Promise Keeper" was created, the very first promise was grounded on this necessary truth. Promise One of the Seven Promises is:

A Promise Keeper is committed to honoring Jesus Christ through worship, prayer and obedience to God's Word in the power of the Holy Spirit.

Everything that Promise Keepers does centers on this central truth - obedience to the Word of God.

What

Promise Keepers is a catalytic event for men, challenging them to embrace their calling to lead their families, churches, and communities in worship of, and obedience to, Jesus the Messiah. Through powerful worship and anointed preaching, men are called out to become everything that God has created them to be, and then to return to their families, churches, and communities with a commitment to hear and obey God's Word in the power of the Holy Spirit.
