

Building on Authentic Manhood, MF Year 2 explores work and family in the context of servant leadership and non-passive, non-aggressive manhood. You were created to actively speak life into your family and workmates!

Winning at Work and Home, a 16-session study, focuses on the two areas that are central to a man's life: career and family. It will begin to build the walls of manhood through study dealing with a man's chief responsibilities. It explores how a man can enjoy and engage his work and how he can relate to a woman in a whole new way.
