

## Chasing Daylight with Erwin McManus

### A 10 Week Bible Study on the Life of Jonathan

Adventure awaits. Opportunity is all around us. In Chasing Daylight, city pastor Erwin McManus calls us to risk everything for a life of genuine purpose. Video teaching and creative learning materials make this a great Bible study for adults.

The biblical character of Jonathan was a man on a mission. In faith and doubt, he stepped out to launch a daring attack that energized his people. With that attitude, we can be movers and shakers rather than moaners and slackers. McManus culls eight characteristics of an adventurer's heart, what he calls "The Jonathan Factor."

Real-life stories, personal interviews, and in-your-face teaching moments make the Chasing Daylight video an excellent resource for any Sunday school class, group Bible study, or church service. Curriculum materials take the leader step by step through the lesson, with lots of options for improvisation.
