

The challenge every man faces...the fight every man can win

From the television to the Internet, print media to videos, men are constantly faced with the assault of sensual images. It is impossible to avoid such temptations...but, thankfully, not impossible to rise above them.

Shattering the perception that men are unable to control their thought lives and roving eyes, Every Man's Battle shares the stories of dozens who have escaped the trap of sexual immorality and presents a practical, detailed plan for any man who desires sexual purity-perfect for men who have fallen in the past, those who want to remain strong today, and all who want to overcome temptation in the future.

Includes a special section for women, designed to help them understand and support the men they love.
