

The Christ-centered, faith-based Christian Jail Ministry (CJM) meets spiritual, personal, and social needs of current/former jail/prison inmates, their families, correctional personnel, and those involved in ministry to prisoners.

CJM has provided chaplains and comprehensive religious services for Howard County Detention Center (HCDC) in Jessup, Maryland, since 1979.

CJM is recognized by the IRS as a 501(c)(3) tax exempt organization and is supported mainly by contributions from individuals, churches, and businesses.
