

*An open letter from Dr. Robert Lewis:*

Dear Dads,

Every man wants to succeed with his son. Deep down, we all dream of releasing into the world a son whose life is highly competent, whose character is rock solid, and whose aspirations are noble. In short, we long for a son who will make us and others proud!

The question is “How?”

The process behind launching a son like that can be as mysterious as it is intimidating. But no process is more important or personally fulfilling. “A wise son makes his father glad.” (Proverbs 10:1)

To that end, I offer you this *Raising a Modern-Day Knight* Video Training. It's for dads wanting help in the process. In it are six sessions that I believe will give you clear vision and practical how to's to dramatically unleash the father power you have with your son.

Every son wants his dad to show the way...to life, to God, to authentic masculinity. And every son wants to connect with his dad's heart, hear his praise, and build lifelong memories. “The glory of sons is their fathers.” (Proverbs 17:6)

All that and more can be found in this *Raising a Modern-Day Knight* Video Series. It has been created for one purpose: to help you as a dad win with your son!

I believe it can do just that. And best of all, your son will “thank you” for a lifetime!
