

Church for Men is an organization dedicated to helping the local church reach more men and boys. We do this through:

- [books](#)
- [videos](#)
- in-church [training](#)
- event [speaking](#)
- and our web sites: [Church for Men](#), [Speaking of Men](#), [Men's League](#) and [Three Journeys](#).

We are also developing an exciting new men's ministry regime called [Men's League](#), which is built on a model we call [Three Journeys Discipleship](#).

At Church for Men, our focus is not male dominance, but male resurgence. To learn more, have a look around our web site.
