The Montgomery County Coalition of Men's Ministries (MCCMM) sole purpose is to build men of God for the glory of God. We join together as men from local churches and organizations in Montgomery County, Maryland, to encourage every man within the sphere of our influence to pursue a vital relationship with God and with one another, to equip them for servant leadership in the home, workplace, community and world, and to enable them to gather for corporate celebration and edification.

NCCMM is established as a task force of the <u>Washington Area Coalition of Men's Ministries</u> (WACMM) to promote Stand in the Gap 2007 by men in Montgomery County. Our goal is to raise awareness of and and encourage participation in Stand in the Gap 2007 by churches and individuals in Montgomery County, Maryland.
